

Seeds (SEEDS) Crowdsale: Terms and Conditions

The following Terms and Conditions (“Terms”) govern the sale of “Seeds” cryptographic tokens (“SEEDS”) to crowdsale participants (“Purchasers” collectively, and “Purchaser” individually) which will be used within an adult entertainment website called “<http://seedsporn.com>”. Seeds does not represent an ownership or share in ANY public or private corporation, or other entity in any jurisdiction. Seeds are only to be used into Seeds and do not entitle any stakeholder to any additional rights. Any acquisition and use of Seeds carries significant financial risk, including the use of experimental software.

This document describes the initial sale in which the Seeds (“SEEDS”) is sold. This document does not constitute a prospectus of any sort, it is not a solicitation for investment and does not pertain in any way to an offering of securities in any jurisdiction. Individuals, businesses, and other organizations should carefully weigh the risks, costs, and benefits of acquiring Seeds early in the initial sale versus waiting to purchase Seeds on open, third-party exchanges.

Ownership of Seeds carries no rights express or implied. Purchases of Seeds are non-refundable. Purchasers should have no expectation of influence over governance of Seeds mobile apps, website, or other platforms and services. No Seeds should be regarded as fiat money. Considering the nature of the Seeds as bona fide cryptographic or virtual commodities (rather than securities, financial instruments, or foreign currency).

By participating in the sale of Seeds, you expressly acknowledge and represent that you have carefully reviewed the Terms and fully understand the risks, costs, and benefits of purchasing Seeds and agree to be bound by these Terms. You further represent and warrant that, to the extent permitted by law, you are authorized to purchase Seeds in your relevant jurisdiction, are of a legal age to be bound by these Terms, and will not hold liable for any losses or any special, incidental,

or consequential damages arising out of, or in any way connected to the sale of Seeds, now or in the future, Seeds and its affiliates, and the officers, directors, agents, joint ventures, employees and suppliers. If a Purchaser is participating in this Crowdsale for another person (e.g., a company or another natural person), the Purchaser represents that they have legal authority to bind and enter into contracts for and on behalf that company/person and that company/person has agreed to these Terms and has been provided copies of these Terms.

DO NOT PURCHASE SEEDS IF YOU ARE NOT AN EXPERT IN DEALING WITH CRYPTOGRAPHIC TOKENS AND BLOCKCHAIN-BASED SOFTWARE SYSTEMS.

Purchases of Seeds should be undertaken only by individuals, entities, or companies that have significant experience with, and understanding of, the usage and intricacies of cryptographic tokens, like Bitcoin (“BTC”) and Ether (“ETH”) and Blockchain-based software systems. Purchasers should have functional understanding of storage and transmission mechanisms associated with other cryptographic tokens. While Seeds team will be available to assist Purchasers of Seeds during and after the sale, they will not be responsible for lost ETH or Seeds resulting from actions taken by, or omitted by Purchasers. In particular, please note that Purchasers should maintain a record of their wallet password in order to ensure that they will be able to access their Seeds when it becomes available after the Crowdsale. If you do not have such experience or expertise, then you should not purchase Seeds or participate in the Crowdsale of Seeds. Please note that Seeds team will be available to provide web-based support only, which may include email, web forums, and Frequently Asked Question answers. Seeds team will not provide telephone or in-person live support.

WARNING: CRYPTOGRAPHIC TOKENS MAY EXPERIENCE EXTREME PRICE VOLATILITY.

Seeds tokens do not represent any formal or legally binding investment. Cryptographic tokens that possess value in public markets,

such as BTC, have demonstrated extreme fluctuations in price over short periods of time on a regular basis. A Purchaser of Seeds should be prepared to expect similar fluctuations, both down and up, in the price of Seeds denominated in BTC or United States dollars (“USD”) or currencies of other jurisdictions. Such fluctuations are due to market forces and represent changes in the balance of supply and demand. Seeds team cannot and does not guarantee market liquidity for Seeds and therefore there may be periods of time in which Seeds is difficult to buy. Additionally, due to different regulatory dictates in different jurisdictions and the inability of citizens of certain countries to open accounts at exchanges located anywhere in the world, the liquidity of Seeds may be markedly different in different countries and this would likely be reflected in significant price discrepancies. By purchasing Seeds, you expressly acknowledge and represent that you fully understand that Seeds may experience volatility in pricing and will not seek to hold any of Seeds Parties liable for any losses or any special, incidental, or consequential damages arising from, or in any way connected to, the sale of Seeds.

WARNING: THE PURCHASE OF Seeds ENTAILS A NUMBER OF RISKS.

The purchase of Seeds carries with it a number of risks. Prior to purchasing Seeds, you should carefully consider the risks listed below and, to the extent necessary, consult an appropriate lawyer, accountant, or tax professional. If any of the following risks are unacceptable to you, you should not purchase Seeds. By purchasing Seeds, and to the extent permitted by law, you are agreeing not to hold any of the Seeds Parties liable for any losses or any special, incidental, or consequential damages arising from, or in any way connected, to the sale of Seeds, including losses associated with the risks set forth below.

1. Overview of Initial Sale of Seeds

The Seeds team will produce a quantity of Seeds in a pre-sale event called the initial sale, to be conducted on its web site at <http://www.seedsico.info>. Purchasers in the initial sale will acquire Seeds in exchange for ETH at predefined sale price. All Seeds sold in this manner will be created on Specified Smart Contract System. Seeds team will allocate the purchased Seeds to the corresponding individual Purchasers, delivering it to their control. All Seeds will be delivered to Purchasers after the end of the Crowdsale Period.

2. Creation of Seeds

500,000,000 Seeds will be created on the Ethereum blockchain (for more information about Ethereum, please visit their official website: <https://ethereum.org>). No more Seeds will be created after this initial creation.

TIMING OF SALE

The pre-sale phase will begin on September 6, 2017. This stage will run for 15 days.

Seeds team reserves the right to change the date when the initial sale will begin and further reserves the right to extend the sale duration for any reason, including the unavailability of the website <http://seedsico.info> or other unforeseen security or procedural issues. Though it does not currently anticipate doing so, Seeds team also reserves the right to shorten the sale duration for any reason.

The Crowdsale phase will begin on a date to be announced on our official website <http://seedsico.info>.

3. Pricing of Seeds

Based on the performance of other recent blockchain project launches Seeds management has determined that this initial sale shall be partitioned and sold at decreasing discount rates as the sale proceeds. Full details about these price points will be provided in a timely

manner to Purchasers in the initial sale and will be available on the website <http://seedsico.info> at the time of purchase.

4. Disclosure of Purchases

To enable Seeds Purchasers to have as much information as possible to guide their decision-making process, Seeds team will disclose in real time the total funds collected in the Seeds initial sale to enable the Purchaser to develop an understanding of the size of the existing Seeds funding pool at the time of their Seeds purchase.

5. Purchase of Seeds from the seedsico.info Website

Instructions for purchasing Seeds with ETH will be available for review on the Seeds Website (<http://seedsico.info>) during the duration of the initial sale. Failure to follow these instructions may limit, delay, or prevent a Purchaser from obtaining SEEDS. Any questions about these instructions should be directed to the team through communication channels provided on Seeds website.

6. Obligation to Determine If Purchaser Can Purchase Seeds in Purchaser's Jurisdiction

It is the responsibility of each potential Purchaser of Seeds to determine if the Purchaser can legally purchase Seeds in the Purchaser's jurisdiction.

7. Acceptance of Terms and Conditions of the Seeds Sale

As a first step in the purchase process, Seeds team will present the Purchaser with these Terms, and associated documents. By placing an order for Seeds, the Purchaser: (i) consents and agrees to the Terms; (ii) represents and warrants that the Purchaser is legally permitted to purchase Seeds in the Purchaser's jurisdiction; (iii) represents and warrants that the Purchaser is of a sufficient age to legally purchase Seeds or has received permission from a legal guardian who has reviewed and agreed to these Terms; (iv) represents and warrants that the Purchaser will take sole responsibility for any restrictions and risks

associated with the purchase of Seeds as set forth below; and (v) represents and warrants that the Purchaser has an understanding of the usage and intricacies of cryptographic tokens, like BTC, and blockchain-based software systems.

8. Independent Confirmation of Purchases

During the purchase process on the site <http://seedsico.info>, Seeds team will provide Purchasers with a unique intermediary ETH address ("UIE Address). Using this UIE address, Purchasers can track and confirm that the Purchaser's ETH has been received at that address and has been subsequently and automatically sent to the initial address. Knowledge of the UIE Address does not

constitute a purchase receipt or indicate in any way that any party possessing such knowledge has rights to or ownership of the purchased Seeds.

9. Seeds Will Only Be Available For Sale on the Seeds Website

Seeds team will only sell Seeds through the Seeds website, available at <http://seedsico.info>. To the extent that any third-party website or service offers Seeds for sale during the initial sale or facilitates the sale or transfer of Seeds in any way during the initial sale, such third-party websites or services are not sanctioned by Seeds team or its affiliates and have no relationship in any way with the Seeds Parties. As a result, Seeds team prohibits the use of these third-party websites or services for the purchase of Seeds prior to the end of the initial sale.

10. Fraudulent Attempts to Double Spend ETH

Seeds team will monitor all potential transactions for fraudulent attempts to double spend ETH. Any detected double spend of ETH will result in no Seeds being delivered to the associated Purchaser.

11. Seeds team Will Not Purchase Seeds During Initial Sale

Seeds team warrants that it will not purchase Seeds in its own sale. Furthermore, Seeds team warrants that it will not purchase Seeds from

any third party, or acquire Seeds in any manner, or acquire future control of Seeds, during the period of the initial sale.

12. Certain Risks Associated with the Purchase of Seeds

The purchase of Seeds carries with it significant risk. Prior to purchasing Seeds, the Purchaser should carefully consider the below risks and, to the extent necessary, consult a lawyer, accountant, and/or tax professionals prior to determining whether to purchase Seeds .

- i. It is possible that the value of ETH will drop significantly in the future, depriving Seeds team of sufficient resources to continue to operate.
- ii. SEEDS will be stored in a wallet, which can only be accessed with a password selected by the Purchaser. If a Purchaser of Seeds does not maintain an accurate record of their password, this may lead to the loss of Seeds. As a result, Purchasers must safely store their password in one or more backup locations that are well separated from the primary location. In order to access one's Seeds the password that the Purchaser entered is required; loss of this may lead to the loss of a Purchaser's Seeds.
- iii. Any third party that gains access to the Purchaser's Purchase Email may be able to gain access to the Purchaser's Seeds. The Purchaser must take care not to respond to any inquiry regarding their purchase of Seeds, including but not limited to, email requests purportedly coming from the Seeds website or a similar-looking domain.
- iv. Cryptocurrencies have been the subject of regulatory scrutiny by various regulatory bodies around the globe. The Seeds team could be impacted by one or more regulatory enquiries or regulatory action, which could impede or limit the ability of Seeds team to continue to develop Seeds Platform.
- v. It is possible that the Seeds Platform will not be used by a large number of external businesses, individuals, and other organizations and that there will be limited public interest in the use of peer-to-

peer currencies. Such a lack of interest could impact the development of the Seeds Platform. Seeds team cannot predict the success of its own marketing efforts or the efforts of other third parties. There is no guarantee of revenues or profits resulting from the marketing activities of the Seeds team.

- vi. The Purchaser recognizes that the Seeds Platform is currently under development and may undergo significant changes before release. The Purchaser acknowledges that any expectations regarding the form and functionality of the Seeds Platform held by the Purchaser may not be met upon release of the Seeds Platform, for any number of reasons including a change in the design and implementation plans and execution of the implementation of Seeds Platform
- vii. The Purchaser understands that while the Seeds team will make reasonable efforts to complete the Seeds Platform software, it is possible that an official completed version of the Seeds Platform may not be released and there may never be an operational Seeds Platform.
- viii. Hackers or other groups or organizations may attempt to steal the ETH and cryptocurrency revenue from the initial sale, thus potentially impacting the ability of Seeds team to promote the Seeds Platform. To account for this risk, Seeds team has and will continue to implement comprehensive security precautions to safeguard the ETH and cryptocurrency obtained from the sale of Seeds. Multi-factor security measures will be taken to protect cryptocurrency and Seeds including but not limited to physical elements, multi-signature keys, splitting of funds, hot/cold wallet partitioning and diversification.
- ix. Advances in code cracking, or technical advances such as the development of quantum computers, could present risks to cryptocurrencies and the Seeds Platform, which could result in the theft or loss of Seeds. To the extent possible, Seeds intends to update the protocol underlying the Seeds Platform to account for any advances in cryptography and to incorporate additional security

measures, but it cannot predict the future of cryptography or the success of any future security update.

- x. As with other cryptocurrencies, the blockchain used for the Seeds Platform is susceptible to mining attacks, including but not limited to double-spend attacks, majority mining power attacks, “selfish-mining” attacks, and race condition attacks. Any successful attacks present a risk to the Seeds Platform and expected proper payment operations.
- xi. The loss or destruction of a private key by Seeds team used to access may be irreversible. Seeds team’s loss of access to its private keys or a data loss relating to Seeds team could adversely affect the value of Seeds Platform.
- xii. Seeds Platform is a new product, thus contributing to price volatility that could adversely affect the value of Seeds. The factors affecting the further development of the digital assets industry, as well as the Seeds Platform, include:
 - a. continued worldwide growth in the adoption and use of Seeds and other digital assets;
 - b. government and quasi-government regulation of Seeds and other digital assets and their use, or restrictions on or regulation of access to and operation of the Seeds Platform or similar digital asset systems;
 - c. the maintenance and development of the software of the Seeds Platform;
 - d. changes in consumer demographics and public tastes and preferences;
 - e. the availability and popularity of other similar products; and
 - f. general economic conditions and the regulatory environment relating to the Seeds Platform and digital assets.
- xiii. Intellectual property rights claims may adversely affect the operation of the Seeds Platform. Third parties may assert intellectual property claims relating to the holding and transfer of digital assets and their source code. Regardless of the merit of any intellectual property or

other legal action, any threatened action that reduces confidence in the Seeds Platform's long-term viability may adversely affect the value of Seeds. Additionally, a meritorious intellectual property claim could prevent end-users from accessing the Seeds Platform.

- xiv. Cryptocurrency exchanges on which Seeds may trade may be relatively new and largely unregulated and may therefore be more exposed to fraud and failure than established, regulated exchanges for other products. To the extent that the cryptocurrency exchanges representing a substantial portion of the volume in Seeds trading are involved in fraud or experience security failures or other operational issues, such cryptocurrency exchange failures may result in a reduction in the price and can adversely affect the value of Seeds. A lack of stability in the cryptocurrency exchanges and the closure or temporary shutdown of cryptocurrency exchanges due to fraud, business failure, hackers or malware, or government-mandated regulation may reduce confidence in the Seeds Platform and result in greater volatility in the price.
- xv. Political or economic crises may motivate large-scale sales of Seeds, which could result in a reduction in the price and adversely affect the value of Seeds. Digital assets such as Seeds, which are relatively new, are subject to supply and demand forces based upon the desirability of an alternative, decentralized means of transacting, and it is unclear how such supply and demand will be impacted by geopolitical events. Large-scale sales of Seeds would result in a reduction in the price.
- xvi. It is possible that a digital asset other than Seeds could have features that make it more desirable to a material portion of the digital asset user base, resulting in a reduction in demand for Seeds, which could have a negative impact on the use and price of Seeds. It is possible that a comparable product could become materially popular due to either a perceived or exposed shortcoming of the Seeds Platform that is not

immediately addressed by the Seeds Team, or a perceived advantage of a comparable product that includes features not incorporated into the Seeds Platform. If this product obtains significant market share, it could have a negative impact on the demand for, and price of, Seeds.

- xvii. SEEDS transactions are irrevocable and stolen or incorrectly transferred Seeds may be irretrievable. As a result, any incorrectly executed Seeds transactions could adversely affect the value of Seeds. Cryptocurrency transactions are not, from an administrative perspective, reversible without the consent and active participation of the recipient of the transaction or, in theory, control or consent of a majority of the processing power on the host blockchain platform. Once a transaction has been verified and recorded in a block that is added to the blockchain, an incorrect transfer of Seeds or a theft of Seeds generally will not be reversible and there may be no compensation for any such transfer or theft. Such loss could adversely affect the value of Seeds.
- xviii. SEEDS tokens are issued on the Ethereum blockchain. As such, any malfunction or unexpected functioning of the Ethereum protocol may impact the Purchaser's ability to transfer or securely hold Seeds. Such impact could adversely affect the value of Seeds.
- xix. It is possible that, due to any number of reasons, including without limitation the failure of business relationships or marketing strategies, that the Seeds Platform and all subsequent marketing from the money raised from the sale of Seeds may fail to achieve success.

13. All Purchases of Seeds Are Non-Refundable

All purchases of Seeds are final. purchases of Seeds are non-refundable. by purchasing Seeds, the purchaser acknowledges that neither Seeds team nor any other of the Seeds team parties are required to provide a refund for any reason, and that the purchaser

will not receive money or other compensation for any Seeds that is not used or remains unused.

14. Taxation of Seeds and Taxation Related to the Initial Sale

Seeds team makes no representations concerning the tax implications of the sale of Seeds or the possession or use of Seeds. The Purchaser bears the sole responsibility to determine if the purchase of Seeds with BTC or the potential appreciation or depreciation in the value of Seeds over time has tax implications for the Purchaser in the Purchaser's home jurisdiction. By purchasing Seeds, and to the extent permitted by law, the Purchaser agrees not to hold any of the Seeds team Parties liable for any tax liability associated with or arising from the purchase of Seeds.

15. Privacy

Seeds team may require that Purchasers provide an email address, Seeds team will not publish any identifying information related to Seeds purchases, without the prior written consent of the Purchaser. Purchasers may be contacted by email by Seeds team regarding a purchase. Such emails will be informational only. Seeds team will not request any information from Purchasers in an email.

16. Disclaimer of Warranties

THE PURCHASER EXPRESSLY AGREES THAT THE PURCHASER IS PURCHASING Seeds AT THE PURCHASER'S SOLE RISK AND THAT SEEDS IS PROVIDED ON AN "AS IS" BASIS WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE OR IMPLIED WARRANTIES, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE (EXCEPT ONLY TO THE EXTENT PROHIBITED UNDER APPLICABLE LAW WITH ANY LEGALLY REQUIRED WARRANTY PERIOD TO THE SHORTER OF THIRTY DAYS FROM FIRST USE OR THE MINIMUM PERIOD REQUIRED). WITHOUT LIMITING THE FOREGOING, NONE OF THE SEEDS TEAM PARTIES

WARRANT THAT THE PROCESS FOR PURCHASING SEEDS WILL BE UNINTERRUPTED OR ERROR-FREE.

17. Limitations Waiver of Liability

THE PURCHASER ACKNOWLEDGES AND AGREES THAT, TO THE FULLEST EXTENT PERMITTED BY ANY APPLICABLE LAW, THE DISCLAIMERS OF LIABILITY CONTAINED HEREIN APPLY TO ANY AND ALL DAMAGES OR INJURY WHATSOEVER CAUSED BY OR RELATED TO USE OF, OR INABILITY TO USE, SEEDS PLATFORM UNDER ANY CAUSE OR ACTION WHATSOEVER OF ANY KIND IN ANY JURISDICTION, INCLUDING, WITHOUT LIMITATION, ACTIONS FOR BREACH OF WARRANTY, BREACH OF CONTRACT OR TORT (INCLUDING NEGLIGENCE) AND THAT NONE OF THE SEEDS TEAM PARTIES SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING FOR LOSS OF PROFITS, GOODWILL OR DATA, IN ANY WAY WHATSOEVER ARISING OUT OF THE USE OF, OR INABILITY TO USE, OR PURCHASE OF, OR INABILITY TO PURCHASE, SEEDS. THE PURCHASER FURTHER SPECIFICALLY ACKNOWLEDGES THAT SEEDS TEAM PARTIES ARE NOT LIABLE FOR THE CONDUCT OF THIRD PARTIES, INCLUDING OTHER PURCHASERS OF SEEDS, AND THAT THE RISK OF PURCHASING SEEDS RESTS ENTIRELY WITH THE PURCHASER. TO THE EXTENT PERMISSIBLE UNDER APPLICABLE LAWS, UNDER NO CIRCUMSTANCES WILL ANY OF THE SEEDS TEAM PARTIES BE LIABLE TO ANY PURCHASER FOR MORE THAN THE AMOUNT THE PURCHASER MAY HAVE PAID TO SEEDS TEAM FOR THE PURCHASE OF SEEDS. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES OR THE LIMITATION OR EXCLUSION OF LIABILITY FOR CERTAIN TYPES OF DAMAGES. THEREFORE, SOME OF THE ABOVE LIMITATIONS IN THIS SECTION AND ELSEWHERE IN THE TERMS MAY NOT APPLY TO A PURCHASER. IN PARTICULAR, NOTHING IN THESE TERMS SHALL AFFECT THE STATUTORY RIGHTS OF ANY PURCHASER OR EXCLUDE INJURY ARISING FROM ANY WILFUL MISCONDUCT OR FRAUD OF SEEDS TEAM.

18. Dispute Resolution

- a. Seeds team and Purchaser (the “Parties”) agree to make good faith efforts to resolve any dispute, controversy or claim arising between them relating to this pre-sale and their respective rights and obligations hereunder arising under this Agreement (a “Dispute”).
- b. If the Parties, or their designated representatives, are unable to resolve the Dispute within ten (10) business days after referral of the matter to them, the Parties will submit the Dispute for resolution pursuant to paragraph c. of this Section.
- c. Except with respect to Disputes concerning (i) the right of either Party to apply to a court of competent jurisdiction for an interim or interlocutory injunction or other provisional remedy to preserve the status quo or prevent irreparable harm or (ii) any Disputes that may arise in connection with a breach of a Party’s obligations of confidentiality hereunder, if any Dispute is not resolved pursuant to paragraphs a. and b. above, the Parties will, acting reasonably, agree mutually on the forum for resolution of the Dispute by arbitration as set out in this Section.

- e. The arbitration will be conducted by a single arbitrator to be mutually agreed to by the Parties within three (3) business days following the date of the referral of the Dispute to arbitration.

19. Force Majeure

Seeds team is not liable for failure to perform solely caused by:

- unavoidable casualty,
- delays in delivery of materials,
- embargoes,
- government orders,

- acts of civil or military authorities,
- acts by common carriers,
- emergency conditions (including weather conditions), or
- any similar unforeseen event that renders performance commercially implausible.

If an event of force majeure occurs, the party injured by the other's inability to perform may elect to suspend the Agreement, in whole or part, for the duration of the force majeure circumstances. The party experiencing the force majeure circumstances shall cooperate with and assist the injured party in all reasonable ways to minimize the impact of force majeure on the injured party.

20. Complete Agreement

These Terms set forth the entire understanding between each Purchaser and Seeds team with respect to the purchase and sale of Seeds. For facts relating to the sale and purchase, the Purchaser agrees to rely only on this document in determining purchase decisions and understands that this document governs the sale of Seeds and supersedes any public statements about the initial sale made by third parties or by Seeds team or individuals associated with any Seeds team parties, past and present and during the initial sale. There are no warranties, representations, covenants, or agreements, express or implied, between the parties except those expressly set forth in this Agreement. This Agreement may only be amended by a written document duly executed by the parties.

21. Severability

The Purchaser and Seeds team agree that if any portion of these Terms is found illegal or unenforceable, in whole or in part, such provision shall, as to such jurisdiction, be ineffective solely to the extent of such determination of invalidity or unenforceability without affecting the validity or enforceability thereof in any other manner or jurisdiction and without affecting the remaining provisions of the Terms, which shall continue to be in full force and effect.

22. No Waiver

The failure of Seeds team to require or enforce strict performance by the Purchaser of any provision of these Terms or Seeds team's failure to exercise any right under these agreements shall not be construed as a waiver or relinquishment of Seeds team's right to assert or rely upon any such provision or right in that or any other instance. The express waiver by Seeds team of any provision, condition, or requirement of these Terms shall not constitute a waiver of any future obligation to comply with such provision, condition or requirement. Except as expressly and specifically set forth in these Terms, no representations, statements, consents, waivers, or other acts or omissions by Seeds team shall be deemed a modification of these Terms nor be legally binding, unless documented in physical writing, hand signed by the Purchaser and a duly appointed officer, employee, or agent of Seeds team.

23. Updates to the Terms and Conditions of the Seeds Initial Sale

Seeds team reserves the right, at its sole discretion, to change, modify, add, or remove portions of the Terms at any time during the sale by posting the amended Terms on the Seeds website (<http://seedsico.info>). Any Purchaser will be deemed to have accepted such changes by purchasing Seeds. The Terms may not be otherwise amended except in a signed writing executed by both the Purchaser and Seeds team. For purposes of this agreement, "writing" does not include an e-mail message and a signature does not include an electronic signature. If at any point you do not agree to any portion of the then-current version of the Terms, you should not purchase Seeds.

24. Cooperation with Legal Authorities
